Free - National Traffic Incident Management Responder Training (TIM) course:

Monday November 18, 2024 from 8:30 a.m.– 12:30 p.m. at UHP Office 445 W. 1200 S. Perry, Utah. Please RSVP by Nov 15, 2024.

This training was developed under the second Strategic Highway Research Program (SHRP2), and is being provided free of charge to you by the Utah TIM Coalition in cooperation with UDOT/UHP/FHWA.

Three injury crashes occur every minute in the United States, putting nearly 39,000 incident responders potentially in harm's way every day.

The National Traffic Incident Management Responder Training was created by responders for responders. This course provides first responders a shared understanding of the requirements for safe, quick clearance of traffic incident scenes; prompt, reliable and open communication; and motorist and responder safeguards. First responders learn how to operate more efficiently and collectively. This is the equivalent to active shooter training for those who deal with traffic control on any type incidents.

This training covers many TIM recommended procedures and techniques, including:

- TIM Fundamentals and Terminology, Notification and Scene Size-Up, Safe Vehicle Positioning, Scene Safety, Command Responsibilities, Traffic Management, Special Circumstances

Outcomes:

The National Traffic Incident Management Training Program equips responders with a common set of core competencies and assists them in achieving the TIM National Unified Goal of in the areas of: Responder safety; Safe, quick clearance; and Prompt, reliable, and interoperable communications.
